Skills

CAD
Onshape, Siemens NX

Programming
C++, Python

Embedded
Arduino, ESP32, PID control, Sensors & actuators

Workshop
3D printing, Bicycle mechanics

Mario Schoch

Mechanical engineering student (BSc) at ETH Zürich.

I grew up between languages: school in English in Bangalore, then bilingual German and French in Biel. I am hard-working, do every job with care and precision, and enjoy work where I can use my hands. In my free time I am usually on my road bike, in the mountains or exploring a new country.

Education

Sept 2025 – present
BSc Mechanical Engineering
ETH Zürich, D-MAVT · Zürich
Relevant courses: Mechatronics, Control Systems, Machine Elements, Dynamics, Informatics
